

Design a Badge

A badge is a special mark or emblem.
Cars have badges. Scouts earn badges.
School students may wear a badge.
What other badges do you know?

This is the State Badge of Queensland.
It was created in 1876 and appears
on our state flag. The crown represents the
monarch, but no one knows for certain
why the Maltese cross was used.

Can you design
a new badge for
Queensland?

Think about

- Things that are unique and special about our state.
- What you love about Queensland.
- What colours you will use.

Tell a friend
why you chose
these symbols
and colours.
