

# Queensland Parliament

## Youth Parliament Program

**The Youth Parliament program is a free hands-on learning opportunity that allows students to experience Queensland's parliamentary processes first-hand.**

### **What's involved?**

Some students will be required to write and present a one-minute speech in response to a motion or Bill. Others will fulfill the requirements of a non-speaking or scripted role.

### **Why take part?**

Youth Parliaments:

- provide a platform for students to have a say on important issues
- support a deeper understanding about parliament and how it works
- give students the opportunity to meet and collaborate with peers outside their school
- sharpen their public speaking skills.
