A Bill

for

***An Act to amend the *River Improvement Trust Act 1940*, the
Water Act 2000 and the *Water Reform and Other Legislation
Amendment Act 2014* for particular purposes***

[s 1]

The Parliament of Queensland enacts

Part 1 Preliminary

1 Short title

This Act may be cited as the *Water Legislation Amendment Act 2016*.

Part 2 Amendment of River Improvement Trust Act 1940

2 Act amended

This part amends the *River Improvement Trust Act 1940*.

3 Amendment of s 5 (Membership of trust)

- (1) Section 5(1), ‘A trust may be established as a trust’—
omit, insert—

Unless a trust’s membership is provided for under a regulation under subsection (1A), the trust’s membership is

- (2) Section 5(1)(b), ‘, as stated in the regulation establishing the trust,’—
omit.

- (3) Section 5(1A), ‘Alternatively, a trust may be established as a trust’—
omit, insert—

A trust’s membership may be

- (4) Section 5(1A), ‘the regulation establishing the trust’—
omit, insert—
a regulation
- (5) Section 5(1B), ‘establishing a trust as a trust’—
omit.
- (6) Section 5(2), ‘established under’—
omit, insert—
whose membership is provided for in

4 Amendment of s 10 (Works which trust may undertake or maintain)

- (1) Section 10(1)(a), after ‘Act’—
insert—
, other than works the chief executive directs the trust
not to undertake or maintain
- (2) Section 10(1)(b)—
omit, insert—
 - (b) must undertake or maintain any works the
chief executive directs the trust to undertake
or maintain for the purpose of achieving the
object of this Act; and
 - (c) must comply with any direction the chief
executive gives the trust about the
undertaking or maintenance of works under
paragraph (a) or (b).
- (3) Section 10(3), ‘, subject to the direction or approval of the
chief executive,’—
omit.
- (4) Section 10(4), ‘The trust’—
omit, insert—

Without limiting section 7(2), the trust

5 Insertion of new pt 9

After section 23—

insert—

Part 9 Transitional provision for Water Legislation Amendment Act 2016

24 Continuance of areas and trusts

- (1) To remove any doubt, it is declared that each relevant area, and the trust for each relevant area, continued in existence under this Act on and after 19 December 2014.
- (2) For the appointment by the Minister, before the commencement, of a person to the membership of the trust for a relevant area, section 5(1)(b) is taken never to have required the number of persons to be appointed to be as stated in a regulation.
- (3) If a provision of this Act applies to a member of a trust as having been appointed under section 5(1)(a) or under section 5(1)(b), the reference to either provision is taken to be a reference to the provision as in force when the person was appointed to the trust.
- (4) In this section—

relevant area means a river improvement area, including the Burdekin Shire Rivers Improvement Area, in existence under this Act as a river improvement area immediately before 19 December 2014.

Part 3 Amendment of Water Act 2000

6 Act amended

This part amends the *Water Act 2000*.

7 Amendment of s 5AA (Watercourse etc. may be mapped)

- (1) Section 5AA(1)(c) to (f)—
renumber as section 5AA(1)(b) to (e).
- (2) Section 5AA(5) to (10)—
renumber as section 5AA(4) to (9).

8 Insertion of new ch 9, pt 9

Chapter 9—

insert—

Part 9 Validation provisions for Water Legislation Amendment Act 2016

1282 Validation of formation and actions of Lower Herbert Water Management Authority

- (1) This section confirms and validates—
 - (a) the formation of the Lower Herbert Water Management Authority on 16 December 2005; and
 - (b) the appointment, employment or engagement of the office holders, employees and agents of the authority since its formation on 16 December 2005 as confirmed and validated under this section; and

[s 8]

- (c) the actions of the authority, its office holders, employees and agents since its formation on 16 December 2005 as confirmed and validated under this section.
- (2) It is declared that the formation of the Lower Herbert Water Management Authority is confirmed and is as valid as it would be if the *Water and Other Legislation Amendment Regulation (No. 1) 2005* SL No. 334 had provided as follows—
 - (a) the following water authorities (collectively the ***former authorities***) are amalgamated to form a new water authority—
 - (i) Foresthome Drainage Board;
 - (ii) Loder Creek Drainage Board;
 - (iii) Mandam Drainage Board;
 - (iv) Ripple Creek Drainage Board;
 - (b) the authority areas of the former authorities are dissolved;
 - (c) the former authorities are dissolved;
 - (d) the new water authority formed on the amalgamation of the former authorities is named the Lower Herbert Water Management Authority;
 - (e) the authority area of the Lower Herbert Water Management Authority is shown on plan AP4064.
- (3) Without limiting subsection (2), it is declared that the actions of the Lower Herbert Water Management Authority and the appointment, employment, engagement and actions of its office holders, employees and agents are confirmed and are as valid as they would be if the *Water and Other Legislation Amendment Regulation (No. 1)*

2005 SL No. 334 had provided for the matters mentioned in subsection (2).

(4) In this section—

actions, of the Lower Herbert Water Management Authority, its office holders, employees and agents, means anything done or omitted to be done by the Lower Herbert Water Management Authority, its office holders, employees and agents, including, for example—

- (a) the making of decisions; and
- (b) the entry into contracts and agreements; and
- (c) the receipt and expenditure of amounts.

1283 Validation of taking of, or interfering with, underground water by holders of particular mineral development licences and mining leases

(1) This section applies to the taking of, or interfering with, underground water, before the commencement, by the holder of a mineral development licence or mining lease in the area of the licence or lease if—

- (a) before the commencement, the holder of the licence or lease had started operations in the area of the licence or lease; and
- (b) the taking of, or interfering with, the underground water was subject to any relevant alteration or limitation prescribed under a moratorium notice, water resource plan or regulation under section 1046; and
- (c) the taking of, or interfering with, the underground water happened in the course of, or resulted from, the carrying out of an authorised activity for the licence or lease,

[s 8]

including, for example, either of the following activities—

- (i) mine dewatering of underground water to the extent necessary to achieve safe operating conditions in the mine;
 - (ii) taking underground water as a result of evaporation from an open mine pit; and
 - (d) the holder of the licence or lease did not hold a water entitlement or permit for the taking of, or interfering with, the underground water.
- (2) The holder of the licence or lease—
- (a) is taken to have been granted a water licence that authorised the taking of, or interfering with, the underground water, before the taking or interfering happened; and
 - (b) is taken to continue to hold a water licence authorising the taking of, or interfering with, underground water on the area of the holder's licence or lease, after the commencement, if the taking or interfering happens in the course of, or results from, the carrying out of an authorised activity for the licence or lease.
- (3) The water licence continued under subsection (2)(b) attaches to the mineral development licence or mining lease.
- (4) From 6 December 2016, the provisions of chapter 3 of this Act and the *Mineral Resources Act 1989* apply to the holder of the water licence taken to be continued as if it were a water licence granted under chapter 2 of this Act.
- (5) In this section—
- authorised activity*** see the *Mineral Resources Act 1989*, schedule 2.

mineral see the *Mineral Resources Act 1989*, schedule 2.

mineral development licence see the *Mineral Resources Act 1989*, schedule 2.

mining lease see the *Mineral Resources Act 1989*, schedule 2.

started operations—

- (a) for a mineral development licence, means winning a mineral from the area of the licence; or
- (b) for a mining lease, means winning a mineral in payable quantities from the area of the lease.

Section 59, inserted section 2—

omit, insert—

2 Purposes of Act and their achievement

(1) The main purposes of this Act are to provide a framework for the following—

(a) the sustainable management of Queensland’s water resources and quarry material by establishing a system for—

(i) the planning, allocation and use of water; and

(ii) the allocation of quarry material and riverine protection;

(b) the sustainable and secure water supply and demand management for the south-east Queensland region and other designated regions;

(c) the management of impacts on underground water caused by the exercise of underground water rights by the resource sector;

(d) the effective operation of water authorities.

(2) For subsection (1)(a), ***sustainable management*** is management that—

(a) incorporates the principles of ecologically sustainable development; and

- (b) allows for the allocation and use of water resources and quarry material for the economic, physical and social wellbeing of the people of Queensland, within limits that can be sustained indefinitely; and
- (c) sustains the health of ecosystems, water quality, water-dependent ecological processes and biological diversity associated with watercourses, lakes, springs, aquifers and other natural water systems, including, where practicable, reversing degradation that has occurred; and
- (d) recognises the interests of Aboriginal people and Torres Strait Islanders and their connection with water resources; and
- (e) enables water resources and quarry material to be obtained through fair, transparent and orderly processes to support the economic development of Queensland; and
- (f) builds confidence regarding the availability, security and value of water entitlements and other authorisations; and
- (g) promotes the efficient use of water through—
 - (i) the establishment and operation of water markets; or
 - (ii) the initial allocation of water; or
 - (iii) the regulation of water use if there is a risk of land or water degradation; or
 - (iv) increasing community understanding of the need to use and manage water in a sustainable way; and
- (h) facilitates the community taking an active part in planning for the management and allocation of water.

[s 13]

(3) For subsection (2)(g), the *efficient use of water*—

- (a) incorporates water demand management and water conservation measures; or
- (b) considers the volume and quality of water required for particular circumstances, including release into the environment.

13 Amendment of s 64 (Insertion of new s 5AA)

(1) Section 64, inserted section 5AA(1)(b)—

omit.

(2) Section 64, inserted section 5AA(4)—

(1) Section 65, heading, ‘s 6’—

omit, insert—

ss 6 and 7

(2) Section 65, after inserted section 6—

insert—

7 Meaning of *principles of ecologically sustainable development*

The following principles are *principles of ecologically sustainable development*—

- (a) decision-making processes should effectively integrate both long-term and short-term economic, environmental, social and equitable considerations;
- (b) if there are threats of serious or irreversible environmental damage, lack of full scientific certainty should not be used as a reason for

- postponing measures to prevent environmental degradation;
- (c) the present generation should ensure the health, diversity and productivity of the environment is maintained or enhanced for the benefit of future generations;
 - (d) the conservation of biological diversity and ecological integrity should be a fundamental consideration in decision-making;
 - (e) recognition of the need to develop a strong, growing and diversified economy that can enhance the capacity for environmental protection;
 - (f) decisions and actions should provide for broad community involvement on issues affecting them.
