## **Part 3**                      **COVID-19 emergency response measures for financial management**

### **323A Purpose of part**

The purpose of this part is to provide measures to alleviate the financial burden caused by the COVID-19 emergency on bodies corporate for community titles schemes and owners of lots included in the schemes.

### **323B Application of part**

This part applies despite—

- (a) another provision of this Act; or
- (b) a regulation or regulation module made under this Act.

### **323C Definitions for part**

In this part—

*COVID-19 emergency* see the *COVID-19 Emergency Response Act 2020*, schedule 1.

*relevant period* means the period that—

- (a) starts on the commencement; and
- (b) ends on 31 December 2020.

### **323D Sinking fund budgets**

- (1) For the current financial year, the body corporate for a community titles scheme may, by ordinary resolution, adopt a sinking fund budget—
  - (a) if the budget allows for raising a reasonable capital amount to provide for necessary and

[s 4]

---

reasonable spending from the sinking fund for the financial year; and

- (b) even if the budget does not include the anticipated major expenditure amount or part of the amount.
- (2) The body corporate for a community titles scheme may, by ordinary resolution, adjust the sinking fund budget for the current financial year to remove or reduce the anticipated major expenditure amount, or part of the amount, included in the budget.
- (3) If a body corporate adjusts a sinking fund budget under subsection (2)—
- (a) the body corporate must refund to an owner of a lot the proportion of a contribution or contribution instalment paid by the owner that is not required for the budget because the anticipated major expenditure amount is removed or reduced; and
  - (b) an owner of a lot entitled to a refund under paragraph (a) is not required to make a written request or provide evidence of payment for the refund to be made.
- (4) In this section—

***anticipated major expenditure amount***, for a sinking fund budget for the body corporate of a community titles scheme, means the capital amount the body corporate is, under a regulation module and but for this section, required to reserve in the sinking fund budget to be accumulated to meet anticipated major expenditure in future years.

*Note—*

See, for example, the *Body Corporate and Community Management (Standard Module) Regulation 2008*, section 139 which requires a sinking fund to reserve amounts to be accumulated to meet anticipated major

expenditure over at least the next 9 years after the financial year.

### **323E Contributions levied by body corporate**

- (1) This section applies if the body corporate for a community titles scheme has—
  - (a) fixed the contributions to be paid by the owner of each lot for the current financial year; and
  - (b) fixed the date (the *due date*) for the payment of—
    - (i) the contributions; or
    - (ii) for contributions to be paid in instalments—each instalment of the contributions.
- (2) The committee of the body corporate may decide to extend the due date for payment of a contribution or instalment to a day that is no later than the end of the financial year.
- (3) The committee may decide to extend the due date under subsection (2)—
  - (a) for an owner of a particular lot if the committee is reasonably satisfied the owner is suffering financial hardship because of the COVID-19 emergency; or
  - (b) for all owners of lots included in the scheme regardless of whether all of the owners are suffering financial hardship because of the COVID-19 emergency.
- (4) In deciding whether to extend the due date under subsection (2), the committee must consider the body corporate's ability to meet the necessary and reasonable spending from the body corporate's administrative fund and sinking fund for the current financial year.

[s 4]

---

- (5) A decision of a committee under this section is not a decision on a restricted issue for the committee.

### **323F Penalties for late payment**

- (1) An owner of a lot in a community titles scheme does not incur a penalty—
- (a) for the late payment of a contribution or contribution instalment that is payable during the relevant period; or
  - (b) because another contribution or contribution instalment is otherwise in arrears during the relevant period.

*Example for paragraph (b)—*

An account requiring payment of a contribution instalment given to an owner of a lot 2 months before the commencement is not paid until 1 February 2021. The owner is not liable for a penalty for the contribution instalment being in arrears during the relevant period. However, the owner may be liable for a penalty for the contribution instalment being in arrears before and after the relevant period.

- (2) This section applies despite a decision of the body corporate for the community titles scheme that fixes a penalty to be paid for the late payment of the contribution or contribution instalment.

### **323G Recovery of body corporate debts**

- (1) The body corporate for a community titles scheme is not required to comply with a requirement under a regulation module to commence proceedings to recover an amount of a contribution or contribution instalment that is outstanding from a person liable for the debt.
- (2) However, the body corporate may commence proceedings to recover the amount.

- (3) This section does not affect proceedings to recover an amount started before the commencement.

### **323H Power to borrow**

- (1) This section applies to a decision to borrow amounts on security made by the body corporate for a community titles scheme under a regulation module during the relevant period.
- (2) However, this section does not apply if—
- (a) the body corporate, by a resolution of the type required under a regulation module, has authorised the body corporate to exceed its prescribed borrowing limit; or
- Examples of types of resolutions—*  
a resolution without dissent or special resolution
- (b) the *Body Corporate and Community Management (Specified Two-lot Schemes Module) Regulation 2011* applies to the community titles scheme.
- (3) In making the decision, the body corporate is not required to comply with the body corporate's prescribed borrowing limit.
- (4) However, the body corporate must not make the decision if it will result in the body corporate being in debt for a borrowed amount that is greater than—
- (a) for a scheme to which the *Body Corporate and Community Management (Small Schemes Module) Regulation 2008* applies—\$6,000; or
- (b) for another scheme—the amount that is worked out by multiplying the number of lots included in the scheme by \$500.

[s 5]

---

(5) In this section—

*prescribed borrowing limit*, for the body corporate for a community titles scheme, means the amount of debt for a borrowed amount that, under a regulation module, the body corporate must not exceed without the authority of a resolution of the type required under the regulation module.

The main purposes of this part are—

- (b) to reduce the risk of harm relating to the COVID-19 emergency to persons residing in restricted areas.

### **235B Definitions for part**

In this part—

***COVID-19 emergency*** see the *COVID-19 Emergency Response Act 2020*, schedule 1.

***licence*** includes permit.

***licensed premises*** includes premises to which a permit relates.

***takeaway liquor authority*** means an authority under section 235D.

### **235C Grounds for granting authority**

- (1) The commissioner may grant a takeaway liquor

authority for licensed premises if—

- (a) the commissioner is satisfied the grant is necessary for a purpose of this part and consistent with the purpose stated in section 3(a); and
  - (b) the premises are eligible under subsection (2) or (3).
- (2) Licensed premises are eligible if—
- (a) the sale of liquor for consumption on the premises is authorised by a licence; but
  - (b) the operation of a business in the premises, in the way the business was ordinarily operated in the premises immediately before the COVID-19 emergency, would contravene a public health direction.
- (3) Also, licensed premises are eligible if—
- (a) the premises are in a restricted area; or
  - (b) the commissioner is satisfied the premises are a source of liquor supply for residents of a restricted area.

### **235D Commissioner may grant authority**

- (1) The commissioner may grant an authority under section 235C to a licensee, or licensees of a particular class, to sell takeaway liquor from licensed premises.

*Examples of licensees of a particular class—*

- persons holding a licence of a stated class
  - persons holding a licence of a stated class for licensed premises in a stated area
- (2) The authority may be granted—

[s 37]

---

- (a) if it applies generally to licensees of a particular class—by publishing a notice on the department’s website; or
  - (b) if it applies to a particular licensee—by giving a notice to the licensee.
- (3) The authority—
- (a) must state—
    - (i) the licensee or class of licensees to whom it applies; and

  - (b) may include conditions the commissioner considers appropriate, including conditions about—
    - (i) the times at which takeaway liquor may be sold; or
    - (ii) the maximum amount of takeaway liquor that may be sold in a transaction.
- (4) The authority may have retrospective operation to a day not earlier than 23 March 2020.
- (5) Unless it ends sooner under this Act, the authority expires on 31 December 2020.

### **235E Consistency of authority with this Act**

- (1) A takeaway liquor authority may be inconsistent with another part of this Act to the extent that is necessary to achieve a purpose of this part and consistent with the purpose stated in section 3(a).
- (2) Without limiting subsection (1), to the extent a licensee’s supply of takeaway liquor complies with a takeaway liquor authority, the licensee does not commit an offence against section 146 or another provision of this Act for the supply.

---

### **235F Amendment or revocation of authority on ground of changed circumstances**

- (1) The commissioner must revoke, or appropriately amend, a takeaway liquor authority for licensed premises if—
  - (a) the commissioner stops being satisfied the continued operation of the authority is necessary for a purpose of this part and consistent with the purpose stated in section 3(a); or
  - (b) the premises become ineligible under section 235C(2) or (3).
- (2) The amendment or revocation must be made—
  - (a) if the authority was granted by notice published on the department’s website and the revocation or amendment applies generally to licensees of a particular class—by publishing a notice on the department’s website; or
  - (b) otherwise—by giving a notice to the licensee, or each licensee, whose authority is amended or revoked.

#### *Examples—*

- 1 An authority is granted to the holders of a particular class of licence by notice published on the department’s website. The commissioner stops being satisfied it is necessary, for a purpose of this part, for those licensees to hold an authority. The commissioner must, by notice published on the department’s website, revoke the authority.
- 2 An authority is granted to the holders of a particular class of licence by notice published on the department’s website. The authority has a maximum takeaway amount of 2 litres. The commissioner becomes satisfied it is only necessary, for a purpose of this part, for some of the licensees (the *relevant licensees*) to hold an authority with a maximum takeaway amount of 1 litre. The commissioner must, by notice given to

[s 37]

---

each of the relevant licensees, amend the authority to state a maximum takeaway amount of 1 litre.

- (3) Subsection (1) does not limit the application of the *Acts Interpretation Act 1954*, section 24AA to the commissioner's power to grant a takeaway liquor authority.
- (4) In this section—  
*maximum takeaway amount*, for a takeaway liquor authority, means the maximum amount of takeaway liquor that, under a condition of the authority, may be sold in a transaction.

### **235G Amendment, revocation or suspension of authority on ground of contravention**

- (1) The commissioner may, by notice given to a licensee, revoke or amend a takeaway liquor authority applying to the licensee's licensed premises if the commissioner is satisfied the licensee has contravened the authority.
