

Appropriation (Parliament) Bill 2023

Explanatory Notes

Short title

The short title of the Bill is the Appropriation (Parliament) Bill 2023.

Policy objectives and the reasons for them

Section 27(b) of the *Financial Accountability Act 2009* provides that, for each financial year, the Treasurer must present to the Legislative Assembly a Bill for a parliamentary Annual Appropriation Act.

Achievement of policy objectives

The Bill provides for:

- Appropriation for 2023-24 to fund the cost of providing the services, equity adjustment and administered items of the Legislative Assembly and parliamentary service in that year; and
- Supply for 2024-25 to allow the normal operations of the Legislative Assembly and parliamentary service to continue until the 2024-25 Appropriation (Parliament) Bill receives assent.

There is no supplementary unforeseen expenditure included in this Bill. The supplementary appropriation for 2021-22 unforeseen expenditure was included in the *Appropriation (Parliament) (No.3) Act 2022*. Consistent with this approach, any supplementary appropriation for 2022-23, identified following the completion of annual financial statements, will be included in a separate appropriation Bill.

Alternative ways of achieving policy objectives

The policy objectives can only be achieved by legislation.

Estimated cost for government implementation

The Bill will provide appropriation for the Legislative Assembly and parliamentary service for the 2023-24 financial year and interim supply for 2024-25 until 2024-25 Appropriation (Parliament) Bill receives assent.

The administrative cost to government to implement the Bill will be met from existing Queensland Parliamentary Service budget allocation as it is considered a fundamental role of the Queensland Parliamentary Service.

Consistency with fundamental legislative principles

The Bill is consistent with fundamental legislative principles.

Consultation

Consultation has been undertaken with the Speaker in determining the appropriation requirements of the Legislative Assembly and the parliamentary service.

Consistency with legislation of other jurisdictions

The Bill is specific to the State of Queensland and is not complementary to legislation of the Commonwealth or another state.
