| | In this subdivision— | 16 |
| | <i>excluded development</i> see section 85H(1). | 17 |
| | <i>interim planning instrument</i> , for an SDA change, see section 85I(1). | 18 19 |
| | <i>relevant local government</i> , for a State development area, means each local government whose local government area includes all or part of land in the State development area. | 20 21 22 23 |
| | <i>SDA change</i> see section 85H(1). | 24 |
| 85H Ceasing regulation under approved development scheme | | 25 26 |
| (1) | This section applies in relation to the following (each an <i>SDA change</i>) if the effect of the SDA | 27 28 |

change is that development (the *excluded development*) will no longer be regulated under the approved development scheme for a State development area—

(a) a variation of the approved development scheme under section 80;

(b) the abrogation of the approved development scheme under section 81.

(2) The SDA change may be made only if the Coordinator-General considers the excluded development is appropriately dealt with—

(a) in the relevant local government’s planning instrument; or

(b) by a proposed amendment of the relevant local government’s planning instrument, or a new planning instrument of the relevant local government, that will take effect at the same time as the SDA change; or

(c) in an interim planning instrument that, under section 85K, will take effect as a temporary local planning instrument of the relevant local government at the same time as the SDA change.

(3) However, subsection (2) does not apply if the excluded development is carried out, or to be carried out, on strategic port land.

85I Coordinator-General may prepare instrument for excluded development

(1) The Coordinator-General may prepare an instrument for an SDA change that deals with the excluded development (an *interim planning instrument*).

(2) In preparing the interim planning instrument, the Coordinator-General must consult—

instrument. 5

- (1) An interim planning instrument for an SDA 7
change has no effect unless the instrument is 8
approved by the Minister. 9
- (2) The Minister may approve an interim planning 10
instrument for an SDA change only if the Minister 11
is satisfied— 12
 - (a) it is in the State’s interest that the SDA 13
change be made as soon as possible; and 14
 - (b) the time needed for making or amending the 15
relevant local government’s planning 16
instrument would unduly delay the making 17
of the SDA change; and 18
 - (c) the instrument is generally consistent with 19
how the excluded development was being 20
dealt with under the approved development 21
scheme. 22

85K Effect of interim planning instrument 23

- (1) An interim planning instrument for an SDA 24
change approved by the Minister under section 25
85J— 26
 - (a) is taken to be a temporary local planning 27

23; and 30
 - (b) may be amended or repealed under the 31
Planning Act. 32

- (2) The interim planning instrument may suspend or otherwise affect the operation of the relevant local government's planning instrument, but does not amend or repeal the instrument. 1
2
3
4
- (3) However, the interim planning instrument— 5
 - (a) does not create a superseded planning scheme under the Planning Act; and 6
7
 - (b) is not an adverse planning change under that Act. 8
9
- (4) The interim planning instrument, with or without an amendment, has effect for 2 years after the day it takes effect under subsection (5), or a shorter period stated in the instrument, unless the instrument is repealed sooner. 10
11
12
13
14
- (5) The interim planning instrument takes effect at the same time as the SDA change. 15
16
- (6) This section applies despite anything stated in the Planning Act. 17

 - (a) the Coordinator-General must— 23
 - (i) publish the instrument on the department's website; and 24
25
 - (ii) publish, at least once, a public notice stating the instrument has been made and may be inspected on the department's website; and 26

| (b) | enter a part of the place that the officer considers the public may enter if wanting to speak to the occupier. | 13 14 15 |
| (3) | Before asking for the consent, the authorised officer must— | 16 17 |
| (a) | explain to the occupier the purpose of the entry, including the powers intended to be exercised; and | 18 19 20 |
| (b) | tell the occupier that— | 21 |
| (i) | the occupier is not required to consent; and | 22 23 |
| (ii) | the consent may be given subject to conditions and may be withdrawn at any time. | 24 25 26 |
| 157AH | Consent acknowledgement | 27 |

- (a) an issue arises in a proceeding about 23
whether the occupier consented to the entry; 24
and 25
 - (b) a signed acknowledgement complying with 26
subsection (2) for the entry is not produced 27

| | |
|--|----------------------------------|
| 157AI Application for warrant | 1 |
| (1) An authorised officer may apply to a magistrate for a warrant for a place. | 2 3 |
| (2) The authorised officer must prepare a written application that states the grounds on which the warrant is sought. | 4 5 6 |
| (3) The written application must be sworn. | 7 |
| (4) The magistrate may refuse to consider the application until the authorised officer gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires. | 8 9 10 11 12 |
| <i>Example—</i> | 13 |
| The magistrate may require additional information supporting the written application to be given by statutory declaration. | 14 15 16 |
| | |
| 157AJ Issue of warrant | 17 |
| (1) The magistrate may issue the warrant for the place only if the magistrate is satisfied there are reasonable grounds for suspecting that a particular thing or activity that may provide evidence of an offence against this Act is, or will be, at the place within the next 7 days. | 18 19 20 21 22 23 |
| (2) The warrant must state— | 24 |
| (a) the place to which the warrant applies; and | 25 |
| (b) that a stated authorised officer may with necessary and reasonable help and force— | 26 27 |
| (i) enter the place and any other place necessary for entry to the place; and | 28 29 |
| (ii) exercise the officer’s powers under this part; and | 30 31 |
| (c) particulars of the offence that the magistrate considers appropriate; and | 32 33 |

-
- (d) the name of the person suspected of having committed the offence unless the name is unknown or the magistrate considers it inappropriate to state the name; and
 - (e) the evidence that may be seized under the warrant; and
 - (f) the hours of the day or night when the place may be entered; and
 - (g) the magistrate's name; and

 - (a) urgent circumstances; or
 - (b) other special circumstances, including, for example, the officer's remote location.
- (2) The application—
 - (a) may not be made before the authorised officer prepares the written application under section 157AI(2); but
 - (b) may be made before the written application is sworn.

157AL Additional procedure if electronic application

- (1) If the magistrate receives an application for a warrant under section 157AK, the magistrate may

- issue the warrant (the *original warrant*) only if
satisfied—
- (a) it was necessary in the circumstances for the
application to be made under section
157AK; and
- (b) the application was made as required under
section 157AK.
- (2) After the magistrate issues the original warrant—
- (a) if there is a reasonably practicable way of
immediately giving a copy of the warrant to
the authorised officer, including, for
example, by emailing or faxing the copy, the
magistrate must immediately give a copy of
the warrant to the officer; or
- (b) otherwise—
- (i) the magistrate must tell the authorised
officer the information required to be
stated in the warrant under section
157AJ(2); and
- (ii) the authorised officer must complete a
form of warrant, including by writing
on the form the information mentioned
in subparagraph (i).
- (3) The copy of the warrant mentioned in subsection
(2)(a), or the form of warrant completed under
subsection (2)(b) (in either case the *duplicate
warrant*), is a duplicate of, and as effective as, the
original warrant.
- (4) The authorised officer must, at the first reasonable
opportunity, send to the magistrate—
- (a) the written application complying with
section 157AI(2) and (3); and
- (b) if the officer completed a form of warrant
under subsection (2)(b), the completed form
of warrant.

-
- (5) The magistrate must keep the original warrant 1
and, on receiving the documents under subsection 2
(4)— 3
- (a) attach the documents to the original warrant; 4
and 5
- (b) give the original warrant and documents to 6
the clerk of the court of the relevant 7
magistrates court. 8
- (6) Despite subsection (3), if— 9
- (a) an issue arises in a proceeding about 10
whether a warrant issued under this section 11
authorised an exercise of a power; and 12
- (b) the original warrant is not produced in 13
evidence; 14
- the onus of proof is on the person relying on the 15
lawfulness of the exercise of the power to prove a 16
warrant authorised the exercise of the power. 17
- (7) This section does not limit section 157AI. 18
- (8) In this section— 19
- relevant magistrates court*, in relation to a 20
magistrate, means the Magistrates Court that the 21
magistrate constitutes under the *Magistrates Act* 22
1991. 23

157AM Defect in relation to a warrant 24

- (1) A warrant is not invalidated by a defect in the 25
warrant or compliance with this subdivision, 26
unless the defect affects the substance of the 27
warrant in a material particular. 28
- (2) In this section— 29
- warrant* includes a duplicate warrant under 30
section 157AL(3). 31

Subdivision 2 Power to seize 8

157AR Seizing evidence at a place that may be 9 entered without consent or warrant 10

- (1) This section applies if an authorised officer enters 11

12
- (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed. 13

25
26
27
28
- 157AU Securing seized thing** 29

- (2) For subsection (1)(b), the authorised officer may, 6
for example— 7
- (a) seal the thing, or the entrance to the place of 8
seizure, and mark the thing or place to show 9
access to the thing or place is restricted; or 10
- (b) for equipment—make the thing inoperable; 11

- Maximum penalty—100 penalty units.

Subdivision 3 Safeguards for seized things

157AV Receipt and decision notice for seized thing

- (1) This section applies if an authorised officer seizes anything under this division unless—
- (a) the officer reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or
 - (b) because of the condition, nature and value of the thing it would be unreasonable to require the officer to comply with this section.
- (2) The authorised officer must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—
- (a) a receipt for the thing that generally describes the thing and its condition; and
 - (b) a decision notice about the decision to seize the thing.
- (3) However, if an owner or person from whom the thing is seized is not present when the thing is seized, the receipt and decision notice may be given by leaving them in a conspicuous position,

and in a reasonably secure way, at the place at 1
which the thing is seized. 2

(4) The receipt and decision notice may— 3

(a) be given in the same document; and 4

(b) relate to more than 1 seized thing. 5

(5) The authorised officer may delay giving the 6
receipt and decision notice if the officer 7
reasonably suspects giving them may frustrate or 8
otherwise hinder an investigation by the officer 9
under this Act. 10

(6) However, the delay may be only for as long as the 11
authorised officer continues to have the 12
reasonable suspicion and remains in the vicinity 13
of the place at which the thing was seized to keep 14
the thing under observation. 15

157AW Access to seized thing 16

(1) Until a seized thing is forfeited or returned under 17
this part, the authorised officer who seized the 18
thing must allow an owner of the thing, free of 19
charge— 20

(a) to inspect the thing at any reasonable time, 21
and from time to time; and 22

(b) if the thing is a document—to copy the 23
document. 24

(2) However, subsection (1) does not apply if it is 25
impracticable or would be unreasonable to allow 26
the owner to inspect or copy the thing. 27

157AX Returning seized thing 28

(1) This section applies if a seized thing is not— 29

(a) forfeited or transferred under division 1AE; 30
or 31

- | | | |
|------|--|----------------------------|
| (b) | subject to a disposal order under division 1AE. | 1 2 |
| (2) | As soon as the Coordinator-General stops being satisfied there are reasonable grounds for keeping the thing, the Coordinator-General must return the thing to its owner. | 3 4 5 6 |
| (3) | If the thing is not returned to its owner within 3 months after the thing was seized, the owner may apply to the Coordinator-General for its return. | 7 8 9 |
| (4) | Within 30 days after receiving the application, the Coordinator-General must— | 10 11 |
| (a) | if the Coordinator-General is satisfied there are reasonable grounds for keeping the thing and decides to keep the thing—give the owner a decision notice about the decision to keep the thing; or | 12 13 14 15 16 |
| (b) | otherwise—return the thing to the owner. | 17 |
| (5) | For this section, there are reasonable grounds for keeping a seized thing if— | 18 19 |
| (a) | the thing is being, or is likely to be, examined; or | 20 21 |
| (b) | the thing is needed, or may be needed, for— | 22 |
| (i) | a proceeding for an offence against this Act that is likely to be started or that has been started but not completed; or | 23 24 25 |
| (ii) | an appeal from a decision in a proceeding for an offence against this Act; or | 26 27 28 |
| (c) | it is not lawful for the owner to possess the thing. | 29 30 |
| (6) | Subsection (5) does not limit the grounds that may be reasonable grounds for keeping the thing. | 31 32 |
| (7) | Nothing in this section affects a lien or other security over the seized thing. | 33 34 |

Division 1AE Forfeiture and disposal 1

157AY Forfeiture of seized thing by Coordinator-General decision 2 3

- (1) The Coordinator-General may decide a seized thing is forfeited to the State if an authorised officer— 4
5
6
- (a) after making reasonable inquiries, can not find an owner; or 7
8
 - (b) after making reasonable efforts, can not return the thing to an owner; or 9
10
 - (c) reasonably believes it is necessary to keep the thing to prevent the thing being used to commit the offence for which the thing was seized. 11
12
13
14
- (2) However, the authorised officer is not required to— 15
16
- (a) make inquiries if it would be unreasonable to make inquiries to find an owner; or 17
18
 - (b) make efforts if it would be unreasonable to make efforts to return the thing to an owner. 19
20
- Example for paragraph (b)—* 21
- the owner of the thing has migrated to another country 22
23
- (3) Regard must be had to the thing's condition, nature and value in deciding— 24
25
- (a) whether it is reasonable to make inquiries or efforts; and 26
27
 - (b) if inquiries or efforts are made—what inquiries or efforts, including the period over which they are made, are reasonable. 28
29
30
- (4) If the Coordinator-General decides under subsection (1) that a thing is forfeited, the 31
32

- Coordinator-General must as soon as practicable give the person who owned the thing immediately before the forfeiture (the *former owner*) a decision notice about the decision.
- (5) If the decision was made under subsection (1)(a) or (b), the decision notice may be given by leaving the notice at the place where the thing was seized, in a conspicuous position and in a reasonably secure way.
- (6) However, subsections (4) and (5) do not apply if—
- (a) the decision was made under subsection (1)(a) or (b); and
- (b) the place where the thing was seized is—
- (i) a public place; or
- (ii) a place where the notice is unlikely to be read by the former owner.
- 157AZ Dealing with things forfeited or transferred to State**
- (1) A thing becomes the property of the State if—
- (a) the thing is forfeited to the State under section 157AY(1); or
- (b) the owner of the thing and the State agree, in writing, to the transfer of the ownership of the thing to the State.
- (2) The Coordinator-General may deal with the thing as the Coordinator-General considers appropriate, including, for example, by destroying the thing or giving it away.
- (3) If the Coordinator-General sells the thing, the Coordinator-General must, after deducting the costs of the sale, make reasonable efforts to return the proceeds of the sale to the person who owned

the thing immediately before it became the 1
property of the State. 2

- (4) This section is subject to a disposal order made for 3
the thing under section 157AZA. 4

157AZA Disposal order 5

- (1) This section applies if a person is convicted of an 6
offence against this Act by a court. 7
- (2) The court may make an order (a *disposal order*), 8
on its own initiative or on an application by the 9
prosecution, for the disposal of any of the 10
following things owned by the person— 11
- (a) anything that was the subject of, or used to 12
commit, the offence; 13
- (b) another thing the court considers is likely to 14
be used by the person or another person in 15
committing a further offence against this 16
Act. 17
- (3) The court may make a disposal order for a thing— 18
- (a) whether or not the thing has been seized 19
under division 1AD; and 20
- (b) if the thing has been seized—whether or not 21
the thing has been returned to the person 22
who owned the thing immediately before 23
the seizure. 24
- (4) In deciding whether to make a disposal order for 25
a thing, the court— 26
- (a) may require written notice to be given to 27
any person the court considers appropriate, 28
including, for example, a person who may 29
have any property in the thing; and 30
- (b) must hear any submissions that a person 31
claiming to have any property in the thing 32
may wish to make. 33

| | | |
|------------------|---|--|
| | (5) The court may make any order it considers appropriate to enforce the disposal order. | 1 2 |
| | (6) This section does not limit the court's powers under another law. | 3 4 |
