Subject: QLD Racing Submission

To Whom It May Concern,

With regards to the Queensland Racing Integrity Commission Bill I am STRONGLY opposed to the proposed Board Structure as we need people with deep industry experience to lead and plan for racing. I find the proposed board structure negligent and short sighted towards one of the largest industries in QUEENSLAND.

The cost of the Integrity Commission Board is also something that should not be met by the thoroughbred racing.

Regards,
Jo-Anne Morley
