**Subject:** No to the Bill

We are not in favour of the Bill being passed as it will have a devastating effect on racing, breeding, country race clubs, jockeys, trainers, strappers, owners and local businesses , and we do hope you will listen to the people who work live and breathe this industry and not to those who want to get rid of us  
We are not wealthy, we only breed a couple of mares, and only race a couple of horses, but we deserve your consideration.
