Subject: QUEENSLAND RACING INTEGRITY COMMISSION BILL
Date: Monday, 1 February 2016 8:49:15 AM

To Whom It May Concern,

I am writing in regard to the proposed changes as proposed in the above named Bill. I am not in favour of the Bill being passed as it will have a devastating effect on racing, breeding, country race clubs, jockeys, trainers, strappers, owners and local businesses throughout all of QLD.

There are a large number of industry participants that are reliant on a strong and vibrant racing industry and the proposed changes contained within this Bill will only have a negative impact on the industry and all of the people involved within.

Regards,

Michael Moloney
