Subject: 15,000 Abandoned Mines
Date: Tuesday, 29 March 2016 5:54:09 PM

We support the proposed legislative amendments proposed in the *Environmental Protection (Chain of Responsibility) Amendment Bill 2016*.
Make mining companies pay a bond before starting mining, the bond will protect us from companies going bankrupt to avoid restoring the site to previous environment. There are too many disgusting, contaminated sites all around Australia left by greed raping our country

Regards

Catherine & Eric Johnson
