Subject: Submissions for QLD Puppy Protection Bill
Date: Wednesday, 9 March 2016 3:21:25 PM

To whom it concerns,

Please add to the bill that all puppies and retired breeding dogs sold **MUST** be **desexed**, vaccinated, microchipped, flea and worm treated.

There must be a limit to the number of breeding dogs allowed per property and the number of litters allowed per dog.

It is our opinion that a substantial savings to ratepayers will be made when all dogs sold by registered and unregistered breeders are desexed prior to sale.

Kind regards,

Marina Begolo
