Subject: Puppy Protection Bill - humane treatment for all dogs
Date: Monday, 7 March 2016 5:38:20 PM

I am writing as I have a poodle. She is a part of our family. We adopted her from a responsible breeder (I can't even say 'bought' as how can we morally 'buy' or 'sell' a living creature?) The idea that other dogs just like our dog are being abused in puppy farms is abhorrent.

Please do everything you can to outlaw:

overbreeding
poor treatment
poor conditions
pet shop sales

Thank you

Isabelle
