

SUBMISSION TO PARLIAMENT ON TREE CLEARING LAWS.

RECEIVED

GYMPIE QLD

THIS BLOCK OF LAND WILL BE 95% COVERAGE WITH PROPOSED TREE CLEARING LAWS IF PASSED IN PARLIAMENT. THIS LEAVES US WITH ONLY FIRE BREAKS AROUND THE BOUNDARIES APPROXIMATE MEASUREMENTS ARE 900 METERS FROM WESTERN TO THE EASTERN BOUNDARIES AND 500 METERS FROM NORTHERN TO SOUTHERN BOUNDARIES IF A FIRE STARTS ON OUR WESTERN BOUNDARY WITH A WESTERLY WIND BLOWING IN A DAY TIME WE WILL NOT BE ABLE TO PROTECT THE 20.000 HOUSES THAT ARE TO BE BUILT ON OUR EASTERN BOUNDARY BUT AS IN VICTORIA AND WESTERN AUSTRALIA THE FIRES DID CREATE EMPLOYMENT IN REBUILDING HOUSES. THESE AREAS ARE THE PLACE TO BUILD AS YOU GET A NEW HOME EVERY 30 YEARS OR SO. THIS IS NO CONCERN TO GOVERNMENT AS EVERY INSURANCE POLICY HOLDER PAY EXTRA AND GOVERNMENT GET EXTRA GST ON POLICY AND BUILDING THE NEW HOMES. I NOTICED THE IMAGERY ON THE MAPS IS AT LEAST 2 YEARS OLD. IF THIS NEW LAW PASSES IN PARLIAMENT WE WILL BE FORCED TO LOOK AT GIVING THIS LAND BACK TO THE ABORIGINALS AS FIRE LAWS AND HIGH COUNCIL RATE THIS IS TOO RISKY & EXPENSIVE TO KEEP AT OUR AGE.

WE ARE BEING CHARGED A ENVIRONMENTAL
LEVY BY GYMPIE CROLOOLA COUNCIL ON THIS
LAND. EITHER, STATE GOVERNMENT HASN'T GOT
THE LAND LOCKED FOR ENVIRONMENTAL
REASONS, OR, LOCAL GOVERNMENT IS HAVEING
A SECOND GO FOR ENVIRONMENT. PLEASE SORT
THIS OUT BEFORE THE END OF JUNE

Yours Sincerely,

JOHN BUCKLEY
