Please find below my submission to the Queensland Parliament Agriculture and Environment Committee inquiry into the Vegetation Management (Reinstatement) and Other Legislation Amendment Bill

Dear Chair and Committee Members, and my local MP.

I am writing in support of the Vegetation Management (Reinstatement) and Other Legislation Amendment Bill (VMROLA Bill) currently under consideration by the committee.

It's really quite simple. Picture a world where humanity has continued down the path of destroying our environment. Would you want to live there? Would it even be possible to live there?

Grab a lawn chair, take a walk in the woods, find a pleasant, comfortable spot, and then just sit quietly. Feel the earth beneath your feet, smell the air, listen to the sounds. Now close your eyes and imagine the bulldozers coming through.

Yes, it really is quite simple.

Yours sincerely,
Lorraine Tacouni
