To The Agricultural and Environment Committee Hendra Vaccine Inquiry

C/- Mr Hansen

To Mr Rob Hansen,

Please accept this submission as evidence of my unwavering support in favour of the Hendra Vaccine.

Working in the Veterinary industry I have seen firsthand the devastation caused by this insidious virus. I feel that mandatory vaccinations should be just as prevalent in our Industry as it is within the Childcare Industry and to some extent the Canine/Feline Boarding Industry.

Within the Veterinary Industry the lives of Veterinarians and Veterinary Nurses should never be at risk when there is a preventative vaccine available.

To ask our professionals to treat Unvaccinated horses is criminal.

Do not HESITATE just VACCINATE!!

Yours in consideration  
Rebecca Porter
