To The Agricultural and Environment Committee Hendra Vaccine Inquiry

C/- Mr Hansen
Parliament House
Brisbane Qld 4000

To Mr Rob Hansen,

This letter is in support of the mandatory vaccination of all horses against the Hendra virus.

I was very concerned for my friends and family who own horses until they had their horses vaccinated.

Everyone I know that has had their horses vaccinated have experienced no reactions and their horses are happy and healthy.

Please consider mandatory vaccination for all our safety.

Thank you
Patricia Jeffrey
