To The Agricultural and Environment Committee Hendra Vaccine Inquiry

C/- Mr Hansen
Parliament House
Brisbane Qld 4000

To Mr Rob Hansen,

Support for Hendra Vaccination of Horses

I am a small animal veterinarian. I have been happy with the way the vaccine was developed by the CSIRO. I have not heard of any major side effects of the vaccine and I think that this vaccine is very effective. As this is a fatal disease that is transmissible to humans, I believe that this vaccine should be compulsory.

Best regards
