Subject: waste reduction and recycling amendment bill 2017

Categories: submission

Dear Qld Govt - PASS THIS BILL!!! please pass the bill to ban lightweight plastic bags from Queensland. Our 2000k coastline is home to birds, turtles and fish who have eaten more than enough plastics in their lives!

PLEASE pass the container refund bill!!! Think of the waste that will magically disappear from our streets and highways. I once lived in a state when it introduced the container refund bill and litter was HALVED OVERNIGHT!

cheers,
