Subject: Waste Reduction and Recycling Amendment Bill 2017

Categories: submission

Dear persons addressing this Bill,

I write to express my support of this bill, which is, I believe, in the best interests of Queenslanders. Anything we can do to reduce and (ideally) eliminate waste plastic will make a huge, positive impact on our environment and economy. It s an initiative recognised in many other progressive countries.

Thank you for pursuing this important, positive objective here and now.

Regards,

Elinor Drake
