To Committee Secretary,  
Agricultural and Environment Committee,  
Parliament House,  
Brisbane. Q. 4000

Dear Secretary,

The above branch of the Wildlife Preservation Society of Queensland strongly supports the move to ban lightweight shopping bags, plus introducing a container refund scheme for Queensland.

The need for these two actions becomes very apparent when picking up rubbish along our roads on Clean-up Australia Day. The amount of rubbish that we cart away is unbelievable and can only harm our environment as well as looking slovenly and untidy.

Keep up the good work!

Adam C. Clark (Project Officer) [REDACTED]
