Subject: Late Submission - Waste Reduction and Recycling Amendment Bill 2017

Categories: submission

Dear Agriculture and Environment Parliamentary Committee,

Please accept my late submission to the Waste Reduction and Recycling Amendment Bill 2017.

I write in full support of the Bill. Many local people in Keppel support the banning of the single use plastic bag and introduction of a container deposit scheme. I have been working with Plastic Bag Free Livingstone on a campaign regarding this issue for many years. The campaign has involved Bob Irwin Senior as Ambassador, the local Scouts groups, and a local retail organisation called Shop 4703.

We invite you to visit Yeppoon and talk with our community about why we support this Bill wholeheartedly.

I would also value the opportunity to speak with the committee and introduce you to people in our local community who have already been contributing to a plastic bag free community already.

Yours sincerely
