Re: Submission to the Inquiry into North Stradbroke Island Protection and Sustainability and Another Act Amendment Bill 2013 (Bill)

Dear Committee,

The Bill introduced on October 17th has the appearance, yet again of prioritising industrial interests over the rights of nature, habitat, aquifers, endangered species, sand dunes, native title, none of which has a voice as loud as the wealthy foreign owned Sibelco sand mining company. We need you to be a voice for these other players in this situation.

Thank you for considering my submission.

Yours sincerely,

Sandra Bayley
