Re: Submission to the Inquiry into North Stradbroke Island Protection and Sustainability and Another Act Amendment Bill 2013 (Bill)

Dear Committee,

Walk my dog every day in the bushes, breath fresh air and enjoy the ocean wind, migrate to Australia for 20 years and settled here in Stradbroke Island.

The beautiful treasure in Stradbroke Island is unique. I do not against the mining , but all the environmental protection rules and regulation needs to remain to keep this beautiful icon of Australia last for generations to come.

Regards

Mandy Chen
