Do you support the option to allow for 'freehold' private ownership of community land as proposed in the Bill?

- YES NO UNSURE

Did the government consult you about the proposal to allow for 'freehold' private ownership of community land?

- YES NO

Do you have any comments about the Bill or the proposed 'freehold' land option that you would like the committee to note?

The Bill should reflect a "Choice" of whether a person prefers a

- (1) Aboriginal Freehold
- (2) Freehold Title (mainstream)
- (3) 99 year lease.

I prefer @ Freehold Title as in Mainstream

What do you think are some of the challenges for you and your community associated with home ownership, and what do you suggest can be done to address these challenges?

Home Ownership is a "Choice"
 Nothing to do with "Welfare Reform Policies"

Do you agree to the committee publishing your submission on the committee's website?

If you agree, your private contact details will be blanked out before the submission is published.
