Subject: Submissions to the Minerals and Energy Bill 2014
Date: Monday, 7 July 2014 9:13:11 PM

I would like to voice my disapproval at the current document pertaining to mining rights being considered by the committee which will be decided on this coming Wednesday. It would be a travesty if the rights of the landowners in neighbouring properties, towns, cities and States are NOT entitled to have their democratic rights addressed, then we are a nation in trouble. Please listen to the voice of reason and justice for all and vote no to the changes in specific areas of the bill.
