Dear Sir / Madam,

As a member of the LNP and resident of the Brisbane River catchment area , I wish to oppose Clauses 418, 420, 245, 423, 424, 429 of the Mineral and Energy Resources . (Common Provisions ) Bill 2014. I am shamed and grieved before my family and friends by your proposed actions,your frightening disregard for our rights, and your thoughtless rush to put the productive land of your country and its water at risk of devastatiion . Money cannot restore that. Who can we look to for preservation ?

Yours very sincerely,

Elisabeth Hindmarsh
