Attention: Minister Jeff Seeney.

I wish to register my objection to your proposal to allow mining companies to lease land and carry out mining activities that may be within earshot of residential premises.

I find your enthusiasm to reduce the quality of life for Queensland citizens more than objectionable. It is a selfish money grab by grubby politicians. I am a Liberal Party voter but your performance, since your election to office, has caused great distress to many innocent, formerly healthy communities thruout many productive agricultural regions.

I truly believe that Jeff Seeney will be a name associated with some of the most despicable and unnecessary crimes against our society and our ecology. I do trust that one day you will pay for these crimes.

Yours sincerely,

Ian William Scholer
