

From: [Aaron Fox](#)
To: [Agriculture Resources and Environment Committee; Minister for Natural Resources and Mines](#)
Subject: Submissions to the Minerals and Energy Bill 2014
Date: Wednesday, 9 July 2014 1:20:42 PM

Mr Cripps, how can you possibly say that by introducing these laws, you are representing the community?

You are not representing us to government, you are representing the mining industry to us.

This bill is using the representative democratic system to reduce the amount of representation allowed by law. This is a reckless and dangerous precedent Mr Cripps, be careful what you wish for.
