

Disaster Management and Other Legislation Amendment Bill 2024

Submission No: 9
Submitted by: Eurong Rural Fire Brigade
Publication: Making the submission and your name public
Attachments: No attachment

Submitter Comments:

We have not as a Brigade been given enough time to review and consider this list of proposed changes to the Act, and then to be able to provide a considered response. The proposed changes should be placed on hold until all members of the Rural Fire Service have been able to provide input to the operation and involvement in rural fire responses and operations.
