

Queensland Community Safety Bill 2024

Submission No: 12
Submitted by: Jared Cathcart
Publication: Making the submission and your name public
Attachments: No attachment

Submitter Comments:

The changes being proposed are extensive and significant. However, the time period allowed for appropriate and adequate review is wholly inadequate. To make such significant changes without allowing reasonable time for public review and scrutiny is a mistake and verging on undemocratic, even if those changes are in the name of improving public safety.
