in my opinion this bill was not nealy advertised enough. having a deadline of 10 day is out right ridiculous. you have not consulted with all parties involved and are not allowing all parties who this bill involves and or effect adequate time to review discuss and respond. this is a very sly and sneaky approach. I believe their shuld be more adequate time given not just a knee jerk reaction with little to know time for debate just because you are getting some heat about youth crim and want to give the The appearance like you're doing something about it. A lot of these list I've read so far. Most have little to nothing to do with youth crime.
