To whom it may concern,

I'm writing to you today with my concerns regarding the Queensland community safety bill 2024, specifically the amendments to the weapons act as I'm a legal, licensed, sport and recreational shooter. I'm sure that we can all agree that the safety of Queenslanders and all Australians is paramount, but a lot of the wording used in the amendments are quite broad and need more clarification.

Obtaining a firearms licence is not easy nor should it be. There is a lot of news media around the subject and I'm yet to see a crime committed by a licensed firearms owner with a registered firearm. I feel amending these laws won't stop criminals from committing crimes and our tax dollars could be used in a more efficient way to combat this issue instead of painting us all with the same brush.

Regards,
