As a law-abiding citizen in Queensland, I am opposed to this Queensland Community Safety Bill 2024 in its entirety. This bill requires more community consultation. The bill as it currently stands violates my rights as a legal firearm holder and does nothing to protect our community from people who illegally obtain firearms who then use them in illegal acts. Futhermore, this bill needs to be withdrawn until proper community consultation can occur with organisations like Shooters Union and the SSAA. This bill will only cause further crime in Queensland while violating the rights of all law-abiding citizens.
