Subject: QLD Community Safety Bill 2024 - Requesting Extension of Community Consultation Period
Date: Wednesday, 15 May 2024 10:58:27 AM
Importance: High

To Whom it may concern,

As a member of the Queensland community and as a law abiding firearms owner I am very concerned about the very short time, set by the QLD Government, for the community consultation period on the proposed 'QLD Community Safety Bill 2024'.

I am also concerned about the proposed changes to various Acts, including the Weapons Act, the Explosives Act, the Criminal Code and the Police Powers and Responsibilities Act.

This Bill, if pushed and rushed through, will affect the civil liberties of every Queenslanders, including but not limited to the following:

- Guilt by Association
- Free Speech

In order for stakeholders and citizens to review the proposed Bill properly, analyse it and put together a proper submission, I herewith request the Queensland Government to extend the time available for consultation on this Bill (QLD Community Safety Bill 2024).

I am certain that you, as the **Community Safety & Legal Affairs Committee**, acting in the best interest of all Queenslanders will acknowledge and address all public concerns regarding this Bill in a reasonable manner.

I am asking you to please support a critical and transparent discussion about the proposed changes to various (12) Acts and to support our request for the extension of the community consultation period on this Bill.

Warm regards,

Christian Bandiko
