The Queensland Community Safety Bill 2024 needs more time for public consultation.

This is a large document and the public needs more time to review and appreciate its implications. I need more time to review this document, and I am certain there are others who do too. I sure I would be able to give more detail, given more time.

Some of my concerns relate to:

1. DOUBLING OF LICENCE APPLICATION DISQUALIFICATION PERIOD
2. LICENCE DISQUALIFICATION PERIOD APPLIES EVEN FOR WITHDRAWN OR QUASHED DVOs
3. FIREARM PROHIBITION ORDERS
4. REMOVAL OF SOCIAL MEDIA CONTENT
5. WARRANTLESS SEARCHES OF PEOPLE OR PLACES RELATED TO FIREARMS PROHIBITION ORDER SUBJECTS

However as I have said more time is needed for public consultation. I am very disappointed such little consideration has been given to public opinion.
