Subject: "Submission for RTRA Tenants Rights & Other Legislation Amendment Bill 2021 and Housing Legislation Amendment Bill 2021".

We, Darren & Sharron Chandler are investors in Queensland and say NO to your current proposal.

Our investment properties in Queensland are part of our retirement future and your proposals undermine all the hard work & commitment we have struggled to secure for our future. You are taking away our rights as landlords and giving tenants the upper hand.

We firmly reject your proposal.

Darren & Sharron Chandler
