Subject: Submission to the Housing Legislation Amendment Bill 2021

I would like to see changes regarding covid 19 2021 affected tenants, I have been government quarantined with my daughter for one month, I have had no money for medication or rent, my land lord is kicking me and my child onto the streets this Friday we will officially be homeless with a arrears debt, my tenantedger has been immaculate until I fall sick and was government quarantined I am asking for immediate help to deal with the owners of my rental, nobody would talk to me no removalist no storage I was unable to view other rental properties due to not being aloud to leave the my premises nor any one aloud in please this is a urgent request for help

Kind regards Lisa Eileen gorman
