

Inquiry into the Decriminalisation of Certain Public Offences, and Health and Welfare Responses

Submission No: 21
Submitted by: [REDACTED]
Publication: Make the submission public but withhold your name
Attachments: No attachment

Submitter Comments:

I do not use myself but am for weed use and possession to be decriminalised. I have seen many people around me benefit from use (regarding health problems, mental health, etc)

Submitter Recommendations:

Weed possession or use to be decriminalised
