Submitter Comments:

This is a transcript of an audio submission received by the Community Support and Services Committee. It is not a strictly verbatim record, but rather an accurate record generated by the committee secretariat. The committee has determined not to publish parts of the transcript from the submission including: identifying information of the submitter and/or their residence; material not relevant to the inquiry; and words that may be considered offensive.

Transcript

My name is [REDACTED], currently living at [REDACTED], and it's the 16th of January 2024. I lived in [REDACTED] for apparently eight years. It's been a combination, but I have lived in [REDACTED] for 12 months. The price of rent [REDACTED] was higher than when I was sharing a room. My brother-in-law and my sister visit me from Perth. The food and spaces are conditionings and the furniture in the room. I pay about \$780 to live at [REDACTED] including the food. I would like to have my own room by the time I am 60, which would be very good. I got twice a week with my work. The bathrooms are clean and tidy, and the doors are locked. I have Biscuits, snacks, bananas, or fruit when I feel like it. I can also maintain my medication when needed. My medication is supervised. Thank you very much.
