I am [REDACTED] and I live at [REDACTED]. We get good food here and get taken care of. If you got any problems they look after us with the problems and it is the best support accommodation in Brisbane. They have a lot of respect for their clients. They listen to problems and help you sort them out and they are good listeners and they show people how to use washing machines that don't know how to use them and they also take us to our doctor's appointments. My mobile number is [REDACTED] and I don't mind sharing my information a bit. As [REDACTED] here I'm from [REDACTED] and the staff do not abuse us at all. They take good care of us .
