Submitter Comments:		

This is a transcript of an audio submission received by the Community Support and Services Committee. It is not a strictly verbatim record, but rather an accurate record generated by the committee secretariat. The committee has determined not to publish parts of the transcript from the submission including: identifying information of the submitter and/or their residence; material not relevant to the inquiry; and words that may be considered offensive.

and it's not confidential.

I really do like living here. It's a great place to be. I couldn't really suggest any great improvement. The management is sympathetic, the staff are helpful and the food's very good. The only thing I would suggest perhaps if there was some effort to improve the building itself. I would like those improvements to be some more bathrooms and a general improvements of the state of the building in which we live. That's about all I would like really.
