I am against this extension till 31 October 2022.

Three years is ridiculous.

Especially when most other countries plus Australian states such as Tasmania have removed all Covid restrictions for vaccinated and unvaccinated.

The narrative has been exposed long ago and the discriminatory mandates must also cease immediately.

107,000+ vaccine adverse effects is devastating and alarming.

I also support a Covid Royal Commission.

Kind regards

Jeanette Maynes JP(Qual)
