Subject: Emergency powers MUST END NOW!
Date: Tuesday, 1 March 2022 7:27:49 AM

With the state losing confidence in our current Premier, with misconduct and corruption seeming to be thriving in her government culture... WHY WOULD ANY ONE GIVE HER GOVERNMENT MORE POWER, WHEN WE NEED TO BE GETTING IT OUT!!?

Her legacy to this state is broken business, health care is a complete shambles, teachers are ready to have nervous breakdowns and small business owners are devastated!

End the mandates!

Get Doctors nurses, teachers and everyone back to work. Stop the segregation and give everyone back their rights, that were NEVER HERS TO TAKE AWAY!

Then, a full investigation into what she has done and if it is found she has done any of this damage under false pretence, or lied and coerced anyone, then throw the book at her, and let her rot in jail!!

Anastasia has done her best to destroy this state and its people, over what has boiled down to a cold or mild flu. This has to stop and it had to be now!!
