To whom it may concern.

I do not support the continuation of this Bill, Public Health and other Legislation (Extension of Expiring Provisions) Amendment Bill 2022.

There is absolutely no reason to extend this Bill, Public Health and other Legislation (Extension of Expiring Provisions) Amendment Bill 2022.

There is absolutely no emergency.

You cannot possibly have any plausible reason to extend these powers.

Enough is enough, our Society needs you to stop this grab of power by power hungry politicians.
