Dear Secretary,

I strongly oppose the CHO emergency powers being further extended until 31 October as there is no longer a need.

Queenslanders have done the right thing, they have been compliant, we have a high vaccination rate, low case numbers and even lower hospitalisation numbers, and our hospitals have never been overwhelmed...

All mandates need to be stopped and people need to get on with their lives and Covid needs to be treated just as a flu...

Yours sincerely,

Michael Lapslie
