Subject: Submission to Qld Government to end emergency powers
Date: Tuesday, 1 March 2022 10:40:37 PM

To the Qld Premier and Qld parliament,
Could you please remove the emergency powers that are decimating our queensland society at the end of March. For 30 years at least we as a state and country have worked hard to remove discrimination of people in our community, and now in the last 2 years we have now more discrimination sanctioned by the government than we have had for 20 years –

I implore you to end the emergency powers that are destroying our frontline workers. Some are not able to work and those who are working are exhausted because of severe staffing shortages.

Every letter written represents 300 people with the same thoughts .

Kind Regards Cheryl Mirtschin
