Subject: Opposition to extension of (state of) emergency bill
Date: Wednesday, 2 March 2022 4:42:58 PM

Good afternoon,

I wish to register my opposition to any extension of the (State of) Emergency Bill.

The world is moving on from this virus. We were told 14 days to flatten the curve.... 2 years ago.

Recent data from the ABS shows approx 92% of those who died had 2 or more co morbidities.

I oppose any extension to extend a “state of emergency”.

Regards,
Lisa Fox
