Subject: Submission NOT to extend state of emergency
Date: Wednesday, 2 March 2022 5:19:12 PM

To the Committee Secretary of the Community Support and Services Committee,
Parliament House:

My name is Annabel Murphy, [REDACTED]

I am explicitly opposed to the emergency powers being extended to the Qld Government until October 2022. There is no pandemic, sufficient numbers of people have been vaccinated, and hospitals are not under pressure.

It is time to reinstate stood down workers back into their jobs and let businesses carry on as prior to 2020. Most businesses have already suffered too much loss.

Please follow what many other countries around the world have done, and drop all mandates. Indeed, that is also the position of our own Prime Minister.

Yours sincerely
Annabel Murphy
