Subject: Emergency Bill Extension
Date: Wednesday, 2 March 2022 6:28:06 PM

I write to state an opposition to the extension to the current Covid 19 emergency bill until 31st October 2022.

My intense research from many resources illuminates a manipulation of Covid data influencing a vote of no confidence in the way this government is managing this exaggerated pandemic at a huge cost to Australia and its people which I am sure you are well aware of.

Sincerely
Tim Hayter
