Dear committee secretary,

I Kavita Bisht, here, am Opposing the extension of all of these amendments to the Public Health Act 2005 to increase powers for emergency officers and the Chief Health Officer to limit, or respond to, the spread of COVID-19 in Queensland, support testing and quarantine requirements and authorise other public health measures; amendments to the Corrective Services Act 2006, Disaster Management Act 2003 and Mental Health Act 2016 to support the public health response; a head of power in the COVID-19 Emergency Response Act 2020 to make regulations to facilitate transitional arrangements for the temporary framework.

Kind regards,  
Kavita Bisht
